Dear CIFOZ Members

RE: CIFOZ CALENDAR OF EVENTS FOR THE YEAR 2019

The above subject matter refers.

The Construction Industry Federation of Zimbabwe would like to advise all members on the calendar of events for 2019 period. Members are advised to plan their business with the Federation in mind. Members who want to partner and / or sponsor some of the events should budget for them in time and advise the secretariat. The Federation's idea is to market products and services for its members to other members in the built environment. Below are the annual events;

1. Monthly Get Together: (*Companies are given the opportunity to host these events on every last Friday of each month starting from February*).
2. Breakfast Seminars: (*These are meant to highlight issues affecting the industry as and when the need arises*).
3. Procurement Workshops: (*New business models such as PPPs', BOT, BT etc- To be held at the end of March, April, June and September*).
4. Golf Day :(*To be held on the 28th of June 2019 at Borrowdale Brooke Golf Course*).
5. AGM/CONGRESS: (*To be held from the 28th -31st August. Venue: TBA*)
6. Safety, Health, Environment & Quality Awareness Day: (*To be held in May*)
7. Star Meetings: (*For both Harare & Bulawayo to be held in March and July*)
8. Women in Construction Conference: (*To be held in February. Venue: TBA*)
